

ORE VALLEY GREENWAY CONSULTATION

Ore Community Land Trust is working with the Hastings Greenway Group to provide a section of the Greenway network within Speckled Wood, Ore, Hastings. This link, which will run through the wood from the Frederick Road entrance to Victoria Avenue, via Church Street, forms part of the larger Ore Valley route network which will start from Ore Rail Station and run up the valley to the Ridge and Hastings Academy.

The proposed Hastings Greenway would form a largely traffic - free network of leisure, amenity and utility walking and safe cycling routes, which will also be accessible for people with disabilities.

Before any work is carried out, we would like to ask for your views on the proposed Ore Valley Route and the Speckled Wood section. Your opinions are important and this is the opportunity to have your say.
